Further, it is informed that the candidates willing to appear for the above examinations have to approach any APOne Centre or Polytechnic where they are studying/studied, with recent passport size photo for registration and obtain hall ticket. The student can also make the fee payment through payment gateway i.e. Debit Card/Credit Card/Net Banking. For backlog candidates the APOne centre/Polytechnic operator will collect the Examination fee and generate the hall ticket by uploading the photo and handover the printout of the hall ticket to the candidate. For this service, APOne centre/Polytechnic operator will collect Rs.15/- from the candidate per hall ticket for Normal / Late fee and Rs.25/- for Tatkal. The candidate can generate the hall ticket directly by making payment through payment gateway (i.e. Debit Card/Credit Card/Net Banking). The regular candidates can make the fee payment by any of the above methods but the hall ticket will not be generated until the candidate put up the required attendance to appear for the examination. The hall tickets for regular candidates will be generated only after verification of attendance. The candidate has to obtain the signature on the hall ticket from the concerned Head of Section/Principal before appearing for the examination. (Note: Before remitting the fee, the candidate shall ensure his eligibility status, since fee once paid is not refundable.)

Further, Principals are requested to give necessary instructions to the Heads of Sections to sign on the hall tickets obtained from the APOne, e-Seva centres/Polytechnics/Payment gateway for subjects after thorough verification. **The amount collected from the students towards examination**

fee is to be paid online through multiple payment option. The money collected is to be deposited in bank account of any faculty having net banking facility and make the payment through <multiple payment> option. The reconciliation will take place immediately. The concerned Head of section can verify the status of the payment in the report placed in his login. The Polytechnics can make the fee payment without fine only. During Late and Tatkal period the students have to make the fee payment through APOnline or Payment Gateway only. The Polytechnics have to make the fee payment, during the period, without fine only. If the Polytechnics are failed in making the fee payment in-time, they have to pay the fee existing during that period. For any query send the mail with details to systemanalyst.apsbtet@gmail.com. The hall tickets cannot be generated towards the amounts directly deposited in the SBTET account as it is automated.

It is further informed that if the details, of any candidate, are not available in NR, the Polytechnics can add the NR with HOS login in <Dofportal> through ADDNR button after thorough verification of eligibility. The HTs will be generated for all such candidates after closure of fee payment period.
